

Studio Playset Instructions

KJEM Logo Template

A/ Peel the paper backing off one side of each the smaller circles of double sided foam tape provided in the set, stick each dot behind the "K", "J" and "E" as shown (one goes behind the "K", one goes behind the "J" and four of them go behind the "E").

B/ Peel the paper backing off the other side of the circles and stick the letters to one another overlapping them in the order shown.

C/ Using the LARGER double-sided foam circles provided, attach two clear plastic clips to the back of the logo as indicated below, behind the letters "K" and "M"; this is what you will be using to attach the logo to the edge of the diorama's ceiling. Make sure that the center of the clips are aligned horizontally or you will not be able to attach the logo to the structure.

The letters should be overlapped like this once attached to one another:
